

# Bloodstone

Guy Sebastian

This is a burning house, but we should stay inside  
Cause something's telling me that we should stay and fight  
I know it's gonna take a lot to change your mind  
But baby, put your white flag down, I'm rolling up my sleeves right now

Oh no, I'm not afraid to bleed  
Work my hands to the bone  
More words are not what you need  
I let my labor show  
Can't do it on my own, I need you to believe  
So please, please, squeeze  
Cause there's more in this bloodstone  
Yeah, there's more in this bloodstone

There's a version of me I need to bring to light  
I'm really not that asshole that I was last night  
I tend to mess up every good thing in my life  
I'll make it up to you somehow, so let me get to work right now

Oh no, I'm not afraid to bleed  
Work my hands to the bone  
More words are not what you need  
I let my labor show  
Can't do it on my own, I need you to believe  
So please, please, squeeze  
Cause there's more in this bloodstone

I'm gonna, I'm gonna show you  
So let me get to work right now  
I'm gonna, I'm gonna show you  
So let me get to work right now  
I'm gonna, I'm gonna show you  
So let me get to work right now  
I'm gonna, I'm gonna show you  
I'm gonna come through somehow  
I'm gonna come through somehow  
I'm gonna come through somehow  
Oh no, I'm not afraid to bleed

Oh no, I'm not afraid to bleed  
Work my hands to the bone  
More words are not what you need  
I let my labor show  
Can't do it on my own, I need you to believe  
So please, please  
Cause there's more in this bloodstone

I know, I know, that there's more in this bloodstone  
Believe me, believe me, that there's more in this bloodstone  
I know and you know, that there's no walking away  
Ah yeah, there's more in this bloodstone
