Died and Gone to Heaven

Guy Sebastian

Ain't gotta worry about the sun
We'll pretend it won't rise
Don't bother setting the alarm
We'll be away the whole time
Got a beauty that makes a grown man cry
It's the only time I feel alive

And I just wanna throw these Sheets over our head And run around this paradise, paradise

I must've died and gone to heaven
It's so incredible
So please don't never end, don't never end
I hope this feeling last forever
'Cause I'm in heaven
So please don't never end, don't never end

You ought've turned off your mind But still taking everything in Or just listen to your body baby And maybe there ain't no rooms tonight We can go wherever you feel like

'Cause I just wanna throw these Sheets over our head And run around this paradise, paradise

I must've died and gone to heaven
It's so incredible
So please don't never end, don't never end
I hope this feeling last forever
'Cause I'm in heaven
So please don't never end, don't never end

Your light is shining so bright
Can't even open my eyes
Got ours wings wrapped around each other
It's getting so warm inside
And I just wanna fly with you
Maybe I could lie with you
Every minute of every day
I'll wait

I must've died and gone to heaven
It's so incredible
So please don't never end, don't never end
I hope this feeling last forever
'Cause I'm in heaven
So please don't never end, don't never end

I must've died and gone to heaven
It's so incredible
So please don't never end, don't never end
I hope this feeling last forever
'Cause I'm in heaven
Jisten Fawe don't never end, don't never end
