

Just As I Am

Guy Sebastian

I could be a mystery
Cover up my heart
Never show my emotions
Always keep you in the dark
I could find a funny line
Impress you for a while
Hide the way that I'm feeling
Behind a smile

But I don't want to lie
Be something that I'm not
Can't promise you the moon and stars
But I swear to you my love

Just as I am
I give myself to you
Just as I am
I'll never make it through
'Cause you are the love I need
The life inside of me
So here I stand
Just as I am

I can try playing shy
Or charm you with my words
Let you see through the sweet talk
Show me it would never work
I could not pretend
And tell you how I feel
'Cause it's a chance worth taking
With a love so real

Now I don't want to lie
Be something that I'm not
Can't promise you the moon and stars
But I swear to you my love

Just as I am
I give myself to you
Just as I am
I'll never make it through
'Cause you are the love I need
The life inside of me
So here I stand
Just as I am

And we'll be together
For always
'Cause true colors never lie
You're my everything
My life is in your hands
So take me just as I am

Just as I am
I give myself to you
Just as I am
I'll never make it through

'Cause you are the love I need
The life inside of me
So here I stand
Just as I am
Just as I am
