

# Like a Drum

Guy Sebastian

Sometimes I can't remember  
If these ashes came from flames  
And if we relight these embers  
Will they just burn out again?  
We can try, we should try

Someday I know we're gonna feel again  
Just like we did when we were younger  
Someday I know we're gonna beat again  
Gonna beat again like a drum

Like a drum  
Like a drum

Just 'cause I, I can't measure and I can't hold it in my hands  
Doesn't mean, doesn't mean that I should just give up on chance  
We can try, we should try

Someday I know we're gonna feel again  
Just like we did when we were younger  
Someday I know we're gonna beat again  
Gonna beat again like a drum

Like a drum  
Like a drum

We're gonna beat again  
I can already hear the sound  
And we're gonna beat again  
Yes, so loud that it shakes the ground

Ain't gonna miss a beat  
Ain't gonna miss a beat  
Ain't gonna miss a beat, yeah

Someday I know we're gonna feel again  
Just like we did when we were younger  
Someday I know we're gonna beat again  
Gonna beat again like a drum

Like a drum  
Like a drum  
Like a drum  
Like a drum

Someday I know we're gonna feel again  
Just like we did when we were younger (when we were young)  
Someday I know we're gonna beat again  
Gonna beat again like a drum
