

# Madness

Guy Sebastian

How can I settle for less  
Now that I've had amazin'?  
Yeah, I can try and try my best  
But I know what I can't replace it  
They say I'm wastin' my time,  
Yeah, and I can't change it  
But I, I'm gonna try and try,  
Don't care if they think I'm crazy

I'm only human  
I'm only human

Is it madness  
To give all you've got  
Even though you get nothing back  
Is it madness  
To run for the fire  
Even though you've be burned so bad  
It hooks like a drug, drug,  
And you just can't give it up  
They say it's madness,  
But I call it love,  
Yeah, I call it love

I shut my eyes so tight,  
But still I can see ya  
So many voices inside my head,  
But only yours is familiar  
And I say yo name over and over and over  
Like the record's broken  
Hopin' one day you'll catch my words  
And feel happy I've spoken

I'm only human  
I'm only human

Is it madness  
To give all you've got  
Even though you get nothing back  
Is it madness  
To run for the fire  
Even though you've be burned so bad  
It hooks like a drug, drug,  
And you just can't give it up  
They say it's madness,  
But I call it love,  
I call it love

I call it love  
I call it love  
I call it love  
I call it love,  
Love,  
Love,  
Yeah

Is it madness

To give all you've got  
Even though you get nothing back  
Is it madness  
To run for the fire  
Even though you've be burned so bad?  
It hooks like a drug, drug,  
And you just can't give it up  
They say it's madness,  
But I call it love,

I guess they're both the same,  
They're both the same  
I guess they're both the same,  
They're both the same

They say it's madness,  
But I call it love,  
I call it love  
Oh yeah they're both the same
