Let me see you cruisin' on the dance floor, baby  
(Sound so good to me, yeah)

Shake it, do it right

Standby  
We interrupt this for a message from the Father  
We've given many years of funk to you  
And y'all still don't know what to do

And if I should die and I'm gone tomorrow  
Funk will be in sorrow  
Who's gonna take it to the next level?  
Must be the chosen one, but not the devil  
So shake that thing, baby

Shake, shake it baby  
Shake, shake it  
Shake, shake it baby  
Shake it by me

Shake, shake it baby  
Shake, shake  
Shake, shake it baby  
Shake ya booty, shake ya booty

Ooh, you move that body  
Move that body the way you move  
Ooh baby yeah, yeah, yeah  
I'm so into you

Ooh, it's the way you move  
The way you move  
Shake it baby, shake it baby  
All around the world, boys and girls

Ease up and join the fun  
I just want you to see the reality  
Teddy, dance for me, yeah

Shake, shake it  
Shake, shake it baby  
Shake it by me
