

# You Can Call Me Crazy

Guy

1st Verse:

I've seen times when I used hang out all night,  
Girls back to back, I knew it wasn't right.  
Never thought that I would ever meet a girl, so fine so fresh,  
who could rock my world.  
Oh God, I'm hooked into her web, ?  
Fellas, I apologize but I have to step.  
Gotta feeling, a hunch, by the look in her eye,  
She's my inspiration, I need her in my life.

Chorus/hook:

You know that it's true,  
You can call me crazy,  
You can call me crazy.

2nd Verse:

You know I'm hooked on you,  
I guess I'm strung out.  
Whatever you may call it, it's love without a doubt.  
Perfect this feeling so strong, I need her love tonight.  
I don't care what you say, I know this love is right.

You know that it's true  
You can call me crazy, you can call me crazy (x2)

You can call me crazy, you can call me. crazy, you can call me  
crazy  
You can call me crazy, you can call me crazy  
You know that it's true  
You can call me crazy, you can call me crazy, you can call me c  
razy, you can call me crazy.  
You know that it's true  
You can call me crazy, you can call me crazy
