

Americanized

GWAR

I'm Americanized. 9 (nine) tons o'
crack a day. It's up my butt, the USA
All you people will worship us--
You worship me, but still you suck...
U.S.A.--I'm Americanized
U.S.A.--(I'm the Prince of Lies)
I'm Americanized. Death to all
who wear paisley, plucking babies'
heads like daisies. Your world is
filled with hate and filth. I'll
rape your dog with a plow...
Drugs unt guns, drugs and
guns. C'mon man, let's go kill
someone. Cheap fuckers, sheep fuckers,
You're all cheap fuckers...
