

Black and Huge

GWAR

You know I'm totally flaccid
I'm just a limp mega-prick
You know I'm looking for
A stupid white chick.

Because I'm BLACK UNT HUGE
All the women hate me
In the porno booth.

And now I see you
You're there on the ground
and now you know yeah
I'm raising a mound
I'm going to got to
Make you erupt
If I could just get out of my cup.
