

At home we're bored  
Just got off another shitty tour  
Moat filled with flaming pus Sleazy,  
he wont talk to us Fondle fish in way illegal  
Coffin filled with dirty needles

Blimey! Blimey!  
What do you de when you feel like that?  
Blimey! Blimey!  
Bio-Mutant  
Sexy made  
Heave it down the balustrade  
Give it fish, tell it to run  
We indulge in naughty fun  
Sexy's flanks are torn and rent  
Slimey's on the rag again

That's right folks, here in the Hall Of Human Hatred  
we've got some of your most inspired brethren,  
genocidal maniacs who carved their way  
through the history books straight into your hearts.  
We got Caligula, mad emperor of Rome whose purges consumed thou  
sands  
on his blazing altar of syphilis.  
Or how about Giles Lavalley,  
medieval crusader of Gods will whose search for the elixir of l  
ife  
led to the ritual satanic killings of thousands of Parisian you  
th.  
Or Julius, religious despot,  
whose slaughter of the intelligentsia of Milan gave him the nic  
kname of "The Warrior Pope"  
That's right, some of the greatest mass murderers in you sad,  
yet vibrant history, are here enshrined,  
impaled and pumped with agonizing life...  
Tummys tingle, tongues a-mingle  
Forced extraction of corn-choked shingle  
Bristling amoeba hole matching cunt for every bowl  
Madly failing porno cow, get me on the road right now!
