GWAR

Eons ago!  
From across the universe...  
The Chaos Lords assembled  
Ruthless, perverse

Serving the Master  
In his murderous crusade  
But we became a threat  
And so we were betrayed!

Betrayed!  
Betrayed...  
That fucking asshole...

That's right, he feared our might  
Upon our cosmic crimes  
Banished us to planet Earth  
The worst that he could find

So we did what we could  
To tolerate this place  
We coupled with the ape  
And formed the human race

And that was the stupidest thing I ever did...

And so we did begin  
To use man as a slave  
To entertain us  
From his cradle  
To the grave

Civilizations  
They did build for us to crush  
Their flesh so easy  
Their blood so quick to gush

Mmmm...gushing blood - Delightful!  
Their skulls turn to mush - Delicious!

Eins zwei drei vier!

The Master soon became enraged  
He sent his royal army  
That locked us in a cage

Imprisoned in the frozen waste  
Until Martini freed us  
With a smile on his face

He told us that he had a plan  
How we could rule the world  
As a heavy metal band!

Sex and drugs and Rock 'n Roll  
Soon became a source of power

Power! Power! Power! Power!

Power...

We are the Scumdogs of the Universe...  
We are the Scumdogs of the Universe...  
We are the Scumdogs of the Universe...  
We are the Scumdogs

We battled Yig and Cardinal Syn  
Gor Gor kept on coming  
But we triumphed in the end  
Edna Granbo did her best  
SkulhedFace, the mentalcase  
That failed with all the rest  
Even Satan was no match  
And all of the Destructos  
Got a swift kick in the snatch  
Quite a history, no doubt  
In any case I'm sure  
I'm leaving something out...

So there you have it  
It's quite a tale to tell  
We've come all the way from Heaven  
And have gone all the way to Hell

Bow before your Masters  
And perhaps we'll let you live  
Just long enough to squeeze out  
Every drop you have to give

GWARnography  
GWARnography

The number one band from Antarctica!  
The only band from Antarctica!

Genius!
