

If I Could Be That

GWAR

Angry
Stupid
Drunken
Violent
Angry
Stupid
Bitter
Won't be silent
I wanna be something
I wanna see something
I'm gonna get nothing
I want you
I wanna be something
Don't wanna be nothing
If I could be that
If I could really be that
If I could be that for you
I'll huff and puff
I'd like to blow my life down
If I could be that for you
Angry stupid bitter violent
angry stupid won't be silent
Angry stupid violent
I want you
