

## If I Could Be That

GWAR

Angry  
Stupid  
Drunken  
Violent  
Angry  
Stupid  
Bitter  
Won't be silent  
I wanna be something  
I wanna see something  
I'm gonna get nothing  
I want you  
I wanna be something  
Don't wanna be nothing  
If I could be that  
If I could really be that  
If I could be that for you  
I'll huff and puff  
I'd like to blow my life down  
If I could be that for you  
Angry stupid bitter violent  
angry stupid won't be silent  
Angry stupid violent  
I want you
