Lords and Masters

As master of this mudball, I feed the fire high With corpses of my victims, the beacon leaps alight! A vision of the cosmos of a planet wracked in pain Far off sensors detect chaos billions more are slain We have thrown a party The guests are set aflame Create a blinding bleacon One that shall proclaim: GWAR lives! GWAR rules! We scream towards the stars We have counted all of them and claim them now as ours

Lords and masters Lords and masters Lords and masters Lords and masters of all we survey

The master sent us here As penance for our crimes I do believe we kicked his ass, I do believe its time... Can't you see me from the void? Can't you feel my hate? As my brothers rape and kill the cripples I create

Many have mocked us, many have died Don't need to succeed So we don't try Destined to godhood to many's dismay Just lords and masters of all we survey

We reject our sentence, it's far too cruel a fate I'll lure you in and take your ship and fly off with me mates GWAR lives! GWAR rules! We scream towards the stars Return to the glory of Alpha Centari We're sick of playing bars! Their innards bloat outwards just like swollen slugs We inject their women and rape all their drugs Embracing this hatred and all it entails A bulging and bloated harvest of entrails

Many have mocked us, many have died Don't need to succeed So we don't try Destined to godhood to many's dismay Just lords and masters of all we survey

GWAR

It couldn't be more clear, its not fucking braille A bloated and bleeding and bloody harvest of entrails Squirming from my dick-slit, they look like shell-less snails! Compared to my crimes, Hitler's pale! Compared to my crimes Compared to my crimes Hitler's pale...
