

Sexecutioner

GWAR

[Sang by Sexecutioner]

Sexcuse me, but what-

a good is all the violence in the world unless
it is toppled with limitless sex?

Bring out the limitless sex-object and allow me,
Sexecutioner to sexplain the seriousness of this subject,
now if you all will attend to my words you will see....

I'm a naughty fellow

In fact I'm certainly not too very mellow I came to this place
to rearrange you face

[Chorus:]

La-la-la-la-la-la-la-la-la

Sexcellent!

la-la-la-la-la-la-la-la-la

Sexcuse me!

la-la-la-la-la-la-la-la-la

Ho-ho-ho-ha

So you think you are all very smart

That you know many words

All you need to know

For the rest of your life
