

## Tick-Tits

GWAR

Lets go Tick-tits!

Well have you seen her tits?  
When they are covered in ticks  
It's shit like that  
That makes monks shag their wicks  
Say have you seen her ticks?  
Sucking on her tits?  
Not even dog-tits are better than this  
Unless of course they are covered in ticks  
What could be better than ticks on your tits?  
Except for Dick-tits, all up in the slit  
And also, your Mothers a whore  
The ticks got so big they won't fit through the door  
Have you seen her tits when they're covered in ticks  
Let's all go lick them then pop them with sticks  
Tick-tits are growning, they're saggy and grey  
And once you fuck tick-tits you'll never go gay

Tick-tits, Tick-tits  
Tick-tits, Tick-tits  
I love  
Tick-tits, Tick-tits  
Tick-tits, dick-slit, sick shit  
uuuugghhh

Have you seen her tits?

Underneath all of those ticks?

Baggy and saggy and filled up with pus  
This is your Mom, she hangs out with us...  
Dammit I love me some ticks  
So do the wops and the micks  
And if you don't you outta...  
The Mexicans love a bug Tick-tit pinata  
I am addicted to ticks  
And I don't wanna sound like a prick  
So many ticks you can't see her at all  
If it keeps up like this she'll be banned from the mall  
Now let's set fire to the ticks!  
It's as easy as flicking your Bic!  
The tick-titted wonder is bursting with flame  
Her tits are on fire-I don't know her name

Tick-tits, Tick-tits  
Tick-tits, Tick-tits  
I love  
Tick-tits, Tick-tits  
tick-tits, dick-slit, sick shit  
uuuugghhh

I got this job in ebay  
They sent me to scrape out her flap  
Never guessed id be so impressed  
By her tick-tit-dick-slit trap  
Just a flopping mass of grayish skin

Oozing ichor from every crease  
Did I forget to mention  
She's morbidly obese?

Tick-tits  
Tick-tits  
Tick-tits, oh Tick-tits, please clean out your gash  
Tick-tits  
a rugby team is at the door, we really need the cash  
Tick-tits

Tick-tits, Tick-tits  
Tick-tits, Tick-tits  
I love  
Tick-tits, dick-slit, sick shit  
uuuugghhh

Her suffering is over now  
She found death, I pray  
Her body so covered in insects  
Haven't seen her face for days  
Her mung-encrusted 'ginal hole  
Became a swarming insect bowl  
Baggy and saggy  
And puffy and gross  
The talk of the town!  
The toast of the coast!
