

## World O Filth

**GWAR**

Welcome to your world of filth--Where  
costly cash is jumbo puke. The words  
they rhyme the sound you crave. You lust for  
what's called Jumbo-Pave. For what's called  
Jumbo Pay--A. Here within your filthy  
world the Terror-Mongers fight the  
squirrels. So come on down to Dynasty, and  
you get Muscular Dystrophy. That girl outside  
she said she'd lick but she lied. Your world  
it writhes, it makes me frown--But you  
can set it aflame--The Molten Nipple Mound!  
Your lives--controlled--Fortune favors  
the bold!!! World o' filth, filth  
filth, filth, filth, filth...
