

## You Are My Meat

GWAR

You are a woman  
I am a man  
You are my meat  
Get in the pan  
You are my meat  
So die like the rest  
As I consume your flesh  
It's all for the best

You are my meat  
You are my fat  
Don't try to fool me  
By skinning a cat  
Don't ever forget  
You are my meat  
Or I'll knock you sideways  
Well into next week

Our lives together  
Mean nothing to me  
Draping my molars  
Is where you should be  
My gullet, my stomach  
These lands you shall pass  
Then you become shit  
And explode out my ass

You are my meat  
You are my meat  
You are my meat  
You are my meat
