

# Baby Don't Lie

Gwen Stefani

We've been walking down this road some time  
And you love, and you love me good, no lie  
But there's something behind those eyes, those eyes  
That you can't, that you can't disguise, disguise

Baby don't, baby don't  
Baby don't lie  
I don't wanna cry no longer  
Baby don't, baby don't  
Baby don't lie  
I'mma need a love that's stronger  
I tell you know, I tell you know  
I tell you know, why  
Know, why  
If you ever give up, then we're gonna die  
Now we're in the out, baby don't lie

Baby don't lie

We've been walking down this road some time  
And you love, and you love me good, no lie  
But there's something behind those eyes, those eyes  
That you can't, that you can't disguise, disguise

Baby tell me there's nothing but love  
Baby tell me there's nothing but love

Baby don't, baby don't  
Baby don't lie  
I don't wanna cry no longer  
Baby don't, baby don't  
Baby don't lie  
I'mma need a love that's stronger  
I tell you know, I tell you know  
I tell you know, why  
Know, why  
If you ever give up, then we're gonna die  
Now we're in the out, baby don't lie

Baby don't lie

What you hiding boy?  
What you hiding boy?  
I can tell what you've been hiding boy  
And you can tell me if I'm getting warm  
Am I getting warm?  
Am I getting warm?  
Am I getting warm?  
And you can tell me if I'm getting warm

Baby don't, baby don't  
Baby don't lie  
I don't wanna cry no longer  
Baby don't, baby don't  
Baby don't lie  
I'mma need a love that's stronger  
I tell you know, I tell you know

I tell you know, why  
Know, why  
If you ever give up, then we're gonna die  
Now we're in the out, baby don't lie

Baby don't lie
