

# Long Way to Go

Gwen Stefani

We've got a long way to go  
When snow hits the asphalt, cold looks and bad talk come  
We've got a long way to go  
It's beyond Martin Luther, upgrade computer

His/Her skin wasn't the same color as mine but he/she was fine,  
he/she was fine  
If all men are made equal then he/she was fine, he/she was fine  
Up until the time we went out on a date, I was fine, I was fine  
Now I'm getting dirty looks I wonder what they'd say if we were  
blind, we were blind people  
We've got a long way to go  
When snow hits the asphalt, cold looks and bad talk come  
We've got a long way to go  
It's beyond Martin Luther, upgrade computer

Beauty is beauty, whether it's black or white  
Yellow or green baby, you know what I mean  
What if Picasso only used one color?  
There shouldn't be a rule how to choose your lover

Lovers in love such a wonderful thing  
Maybe in time we'll get together and sing  
I really hope so, there's nothing wrong with this picture  
We got a long way to go, we gotta get there quicker

We've got a long way to go  
When snow hits the asphalt, cold looks and bad talk come  
We've got a long way to go  
It's beyond Martin Luther, upgrade computer

What color is love? [3x]

... the all men are created equal...  
... children will one day live in a nation where they will not be judged by.  
..  
... the color of their skin...  
... but by the content of their character...  
... this will be the day when all of God's children...  
... will be able to sign with a new meaning...  
... not only that.....
