

Spark the Fire

Gwen Stefani

I'm coming down,
Oh, I had a blast
But you know what they say, the high will never last
But I believe that they all got it wrong (they're wrong)
So sprinkle some more love right here where it belongs
(You guys ready? Here we go!)

Who got the lighter?
Let's spark the fire
Who got the lighter?
Let's spark the fire (say what?)
Who got the lighter?
Let's spark the fire (here we go)
Who got the lighter?
Let's spark the fire

O.M.G, O.M.G, I'm back again
Original feel-good is what I defend
I'mma believe and no I don't pretend
Know what it's like when you look up and grin
The person next to you, feel that energy
Let's lift them up even high as can be (what?)
Finally remembering what is me
That is what happens when I get with P

Hey! Get off my cloud (say what?)
Hey! Get off my style (say what?)
Stay above the crowd (say what?)
Or make your way back down (say what?)

Hey! Get off my cloud (say what?)
Hey! Get off my style (say what?)
Stay above the crowd (say what?)
Or make your way back down (say what?)

Who got the lighter?
Let's spark the fire
Who got the lighter?
Let's spark the fire (say what?)
Who got the lighter?
Let's spark the fire (here we go)
Who got the lighter?
Let's spark the fire

Let's go hard, let's go hard, hard as can go
It is time for the girl's species to grow
2015, we take off our shell (hey)
I am a Libra, let's balance the scales
L.O.L., the world should get ready cause we will prevail
Somebody has to, so maybe it's me
Say this with me and raise the frequency

Hey! Get off my cloud (say what?)
Hey! Get off my style (say what?)
Stay above the crowd (say what?)
Or make your way back down (say what?)

Hey! Get off my cloud (say what?)
Hey! Get off my style (say what?)
Stay above the crowd (say what?)
Or make your way back down (say what?)

Who got the lighter?
Let's spark the fire
Who got the lighter?
Let's spark the fire (say what?)
Who got the lighter?
Let's spark the fire (here we go)
Who got the lighter?
Let's spark the fire

Something's telling me
It takes a try to superview L.U.V
Was losing focus lost the perfect Lego piece
Got new glasses so finally I can see
Spark the fire

Hey! Get off my cloud (say what?)
Hey! Get off my style (say what?)
Stay above the crowd (say what?)
Or make your way back down (say what?)

Who got the lighter?
Let's spark the fire
Who got the lighter?
Let's spark the fire (say what?)
Who got the lighter?
Let's spark the fire (here we go)
Who got the lighter?
Let's spark the fire

So much cooler when you do it, do it
(Do it, do it, do it)
Uh! So much cooler when you do it, do it
(Do it, do it, do it)
Uh-huh, everybody let's go!
