Used to Love You

Gwen Stefani

Yeah, boy Never thought this would happen I let it sink in, you're gone I don't know, know what I'm feeling I must be dreaming, you're gone Suitcase, band-aids Pulling back out the driveway You go, I'll stay You can keep all the memories I thought I was the best thing that ever happened to you I thought you loved me the most I don't know why I cry But I think it's cause I remembered for the first time Since I hated you That I used to love you I don't know why I cry But I think it's cause I remembered for the first time Since I hated you That I used to love you Oh, oh, oh, oh I used to love you Oh, oh, oh, oh I used to love you Are you gone? There were no boundaries What, you just pushed me too far I guess nobody taught you Nobody taught you how to love Suitcase, band-aids Pulling back out the driveway You go, I'll stay You can keep all the memories I thought I was the best thing that ever happened to you I thought you loved me the most I don't know why I cry But I think it's cause I remembered for the first time Since I hated you That I used to love you I don't know why I cry But I think it's cause I remembered for the first time Since I hated you That I used to love you Oh, oh, oh, oh I used to love you Oh, oh, oh, oh I used to love you You know I was the best thing that ever happened to you I thought you loved me more, oh

You know I was the best thing that ever happened to you

Now look at what you lost, oh I don't know why I cry But I think it's cause I remembered for the first time Since I hated you That I used to love you I don't know why I cry But I think it's cause I remembered for the first time Since I hated you That I used to love you Oh, oh, oh, oh I used to love you Oh, oh, oh, oh I used to love you I don't know why I cry

I don't, I don't, I don't I don't know why I used to love you I don't, I don't, I don't I don't know why I cry I don't, I don't, I don't I don't know why I used to love you I don't, I don't, I don't
