

Yummy

Gwen Stefani

I'm feeling Yummy head to toe (you see me)
Ain't got no patience so let's go (you see me)
Look, I'm diet drama
Wanna spend the night? Don't bring pajamas
Man there's so much heat beneath these clothes (you see me)

Walk in, the place
They know, my face
Encore, sophomore
Only one solo, I swore
Big mouth, applause
Oh please, one more
Wanna hear it before I say naw
Let me check my itinerary
Ummm, alright
Presto, skintight
Escaped & I risked my life
For what? So I can watch them bite
Only one Gwen you can find like this, I mean blow your mind like this
Your key won't shine like this, if it's yours then you know it won't wind like this
(Wind it up)

[CHORUS]

I'm feeling Yummy head to toe (you see me)
Ain't got no patience so let's go (you see me)
Look, I'm diet drama
Wanna spend the night? Don't bring pajamas
Man there's so much heat beneath these clothes (you see me)
I know you've been waiting but I've been off making babies
& like a chef making donuts & pastries
It's time to make you sweat
Sex & sugar is the flavour
Ovens & beaters & graters
Beats made of bongos & shakers
It's time to make you sweat

[Pharrell]

Walk in, the place
They know, my face
Billionaire boys, ice cream dripping 'cross the floor
Big house, garage, bentleys, ferraris
Wanna go before I say naw
Let me check my itinerary
Ummm, alright
G4, G flight, bed in the back so I have a G night
Good night, hood right?
Ain't no nigga you can find like this, I mean blow your mind like this
Nigga's watch don't shine like this, if it's ticking then it don't tell time like this

[CHORUS]

Now sweat, baby
Get stupid, jump up go crazy
L.A.M.B, in 3D
Worldwide across your TV
P you crazy, how'd you get this?
This sounds like disco tetris
Do I have time to connect this?
Let me check my itinerary, Ummm

I came back for my spotlight (for her spotlight)
I disappeared like Houdini (where Houdini?)
If yours didn't come out right (if it's not right)
Go to Kinkos & xerox me

[CHORUS]

I'm feeling Yummy head to toe (you see me)
Ain't got no patience so let's go (you see me)
