

# Yummy

Gwen Stefani

I'm feeling Yummy head to toe (you see me)  
Ain't got no patience so let's go (you see me)  
Look, I'm diet drama  
Wanna spend the night? Don't bring pajamas  
Man there's so much heat beneath these clothes (you see me)

Walk in, the place  
They know, my face  
Encore, sophomore  
Only one solo, I swore  
Big mouth, applause  
Oh please, one more  
Wanna hear it before I say naw  
Let me check my itinerary  
Ummm, alright  
Presto, skintight  
Escaped & I risked my life  
For what? So I can watch them bite  
Only one Gwen you can find like this, I mean blow your mind like this  
Your key won't shine like this, if it's yours then you know it won't wind li  
ke this  
(Wind it up)

[CHORUS]

I'm feeling Yummy head to toe (you see me)  
Ain't got no patience so let's go (you see me)  
Look, I'm diet drama  
Wanna spend the night? Don't bring pajamas  
Man there's so much heat beneath these clothes (you see me)  
I know you've been waiting but I've been off making babies  
& like a chef making donuts & pastries  
It's time to make you sweat  
Sex & sugar is the flavour  
Ovens & beaters & graters  
Beats made of bongos & shakers  
It's time to make you sweat

[Pharrell]

Walk in, the place  
They know, my face  
Billionaire boys, ice cream dripping 'cross the floor  
Big house, garage, bentleys, ferrar  
Wanna go before I say naw  
Let me check my itinerary  
Ummm, alright  
G4, G flight, bed in the back so I have a G night  
Good night, hood right?

Do I have time to connect this?

I came back for my spotlight (for her spotlight)  
I disappeared like Houdini (where Houdini?)  
If yours didn't come out right (if it's not right)  
Go to Kinkos & xerox me
