

Demon Emptiness

Gyllene Tider

Think about you
Think about me
And the way that things are going
And the way it used to be

It used to be me
Yes, it used to be me
But i don't know anymore
who's got your precious key

Oh. Sweet tenderness
In the middle of the night
when I need it you show me
Demon emptiness
when i want to give you my love

I know a heart
That's trying to keep
And hold on to those moments
When it feels like a fantasy

When it used to be me
and it used to be you
then, i guess, there were winter out of the blue

Oh. Sweet tenderness
In the middle of the night
when I need it you show me
Demon emptiness
when i want to give you my love

One part of me just can't go on
The other one is in love

Oh. Sweet tenderness
In the middle of the night
when I need it you show me
Demon emptiness
when i want to give you my love
