

Kiss From a Stranger

Gyllene Tider

Anyone who ever had a heart
Should know what it's like
Anyone who ever been in love
Should know what it's like
I've made up my mind
I've made up my mind

'Cause it feels like the first time
I steal a kiss from a stranger... yeah

Two people shouldn't be alone
And girl, we're running out of time
I gotta know what's inside a woman's heart
And inside of mine
You've made up my mind
You've made up my mind

'Cause it feels like the first time
I steal a kiss from a stranger

Just a motion away
Just a motion away

You've made up my mind
You've made up my mind

'Cause it feels like the first time
Yes it feels like the first time
Feels like the first time
I steal a kiss from a stranger... mmm, baby!

Kiss from a stranger
Kiss from a stranger...
