

Mr. Twilight

Gyllene Tider

Mr. Twilight, don't go away, wo ho!
Mr. Twilight, don't go away!

Twilight, so we meet again tonight
But Twilight, I am all alone this time
I'm coming back to you
'cause I need a place to hide
and you Mr. Twilight, is just alright
Hey Mr. Twilight!

Twilight, ain't it hard to realize?
Hey hey hey Twilight
I'll tell you when I close my eyes
I see the face of a girl
that I might
have lost in the Twilight
tonight

Don't gimme consolation
I just wanna be on my own!
Got no use for persuasion
I won't go home
No, Mr. Twilight,
I won't go home!

Hey Mr. Twilight!
Tell them Mr. Twilight...

Twilight on Twilight
I've made up my mind and I'll stay
Oh I see you are dying and
slowly fading away
Please Mr. Twilight,
Don't go away!

Mr. Twilight, don't go away wo ho!
Please Mr. Twilight!
