

Kissin' Ears

Gym Class Heroes

Baby girl we ain't got to move too fast
First and foremost I'm a gentlemen with class
Not the least bit concerned with what happened in your past
And I'm sure your heart's hurting but the pain won't last
I can be your aspirin, I am asking friendly
We start you off with a daily dose of vitamin me
Yeah I got jokes, you laughing at them tho
Now go on and grab your coat and tell your girlfriends that you leavin' them

Show me baby (Show me baby)
What you got (What you got)
Show me baby (Show me baby)
Your favorite spot (Your favorite spot)
And I can take you
Out of here
I can put your love in the atmosphere

Show me what you want and I got that
Tell me what you need and you got that
I wanna make her press that ass on me
Before we get to that

It starts with kissin' ears
Making babies buying you a mercedes girl
It starts with kissin' ears
Getting married being willing to share it girl
It starts with kissin' ears
Get to know me picking up groceries (Fa shaw girl)
It starts with kissin' ears
Paying the bills keeping it trill
It starts with kissin' ears
It starts with kissin' ears
It starts with kissin' ears
Now let me kiss you on your hot spot

Far be it for me to kiss you on the first date
But our lips are like legos and it's getting kind of late
You ain't got to eat the bait all I want is a chance
To fish and get you nervous cause the pond is drying fast
You lying if you say I'm the type of guy that you're used to
Hilltop suite in saint lucha expose your ear so I can kiss ya
Or maybe just whispa, something real man-ish
You ain't know I knew spanish. Did ya?

Show me what you want and I got that
Tell me what you need and you got that
Say the word it's over
Secure you like a soldier
Before we get to that
It starts with kissing ears

It starts with kissin' ears
Making babies buying you a mercedes girl
It starts with kissin' ears
Getting married being willing to share it girl
It all starts with kissin' ears
Get to know me picking up groceries (Fa shaw girl)

It starts with kissin' ears
Paying the bills keeping it trill (Babygirl)
It starts with kissin' ears
It starts with kissin' ears
It starts with kissin' ears
Now let me kiss you on your hot spot

All night long (All night long)
Can you sing my song (Can you sing my song)
We can start right here (Sex)
Starts with kissing ears

Show me what you want and I got that
(Kissin' ears)
You know I got that
(Kissin' ears)
Yeah you know I got that.
Them other dudes please you know I'm not that
(And it starts with kissin' ears)

Making babies buying you a mercedes girl
It starts with kissin' ears
Getting married being willing to share it girl
It starts with kissin' ears
Get to know me picking up groceries (Fa shaw girl)
It starts with kissin' ears
Paying the bills keeping it trill
It starts with kissin' ears
It starts with kissin' ears
It starts with kissin' ears
Now let me kiss you in your hot spot

Show me what you want and I got that
Tell me what you need and you got that
Say the word it's over
Secure you like a soldier
Before we get to that
It starts with kissing ears

Show me what you want and I got that
You know I got that
Yeah you know I got that
Them other dudes, please you know I'm not that...
