

Majestic Love

Gyptian

If you'll be my empress I'll be your king
Give me a chance, I'll be all that you need
Like two love birds we'll drift away
To an island of love, just you and me

I'll be all that you need, yea yea
I will be I will be all that you need, yea yea
I'll be all that you need
I'll be all that you need baby
Oh oh

Girl you are the one for me
Love your chemistry
Let me take you to a place where you and I could be

I just wanna be with you
And all the sexy things you do
One thing's for sure

If you'll be my empress I'll be your king
Give me a chance, I'll be all that you need
Like two love birds we'll drift away
To an island of love, just you and me

I'll be all that you need...

Listen
Boy you are the one for me
You really got chemistry
I wanna have you to myself
Honey just you and me

I just wanna be your queen
I wanna give you all of me
And I hope you know

If you'll be my empress I'll be your king
Give me a chance, I'll be all that you need
Like two love birds we'll drift away
To an island of love, just you and me

I'll be all that you need...

Standing in line
Baby, I'm standing
Standing in line
Standing in line
I'm standing in line

If you'll be my empress I'll be your king
Give me a chance, I'll be all that you need
Like two love birds we'll drift away
To an island of love, just you and me

I'll be all that you need, yea yea
I will be I will be all that you need, yea yea
