

Are You Getting Any Better

Gyroscope

Honey I miss your bright blue eyes,
I've learned from my lessons...
To keep away from you when you're like this...
I mean, when I'm, in the wrong.
Sing it, Sing it,
Sing it, Sing it,
Understand it's just the way I am,
I promised you the world...
Sorry I didn't follow through,
I need you to promise me,
Sing it, Sing it,
Are you getting any better?
Five steps to falling,
Sing it, sing it yeah.
Are you getting any better?
Five steps to falling,
Sing it, sing it yeah.
You're missing from this bed I made for you,
You're missing from this bed I made for you,
You're missing from this bed I made for you,
Bed I made for you!
