

## Come Bad

H-Blockx

I took the long way for a comeback, whack pussies and scumbags,  
I've had enough of peeps telling me I've done that, when  
even done yet so I get set for the combat and when I come bad -  
now where you at  
my god damned homies from the southside, I'll shut my mouth I -  
I let the stage do the talking and I'm ah gonna wave you bye by  
e,  
Bye Bye baby bye bye, bye, bye baby, bye, bye. And so I buy you  
out, that's what  
you're all about and I keep telling you about how you are selli  
ng me out. You are  
repelling out of the possibilities, that I see, 99 % are raisin  
g hell in me - can you  
follow me? It seems to me like a tragedy now really Gee, intent  
ionally I wanna grab  
your bank account and kill you with the money. I race the track  
s to face the facts the  
trace of that: It's combat. And you're the casualties. Just for  
the war stats.

Refrain:

this is combat, just get off my back cause I can't take that su  
cker, combat now I'm  
back on the mike and I'm a gonna fight back and when I come bad  
! - fight back and  
I'm a gonna strike back combat just get off my back you whack p  
ack suckers

Sorry but this is our territory - now don't you worry, GET UP G  
ET OUT - just gotta  
hurry. Slave to greed grave to thee, find a better place to be  
instead I see the theft  
of me you took all that was left of me. Emergency the urgency o  
f this attack has  
priority to everything, that I am at so that I gotta be who I g  
otta be: THE ONE WHO  
STRIKES BACK BEFORE YOU GET THAT I wanna bet that I'm a sleeper  
, the keeper  
of the key and I go deeper, deeper than you've ever been. I get  
a call and you'll be  
sleepless, you think that's all no not at all that thought is n  
eedless. The catastrophe,  
you took the best of me you don't wanna mess with me, cause I g  
ot the master P.  
the recipe what's that test me! And play chess with me, you got  
ta be faster, hein, or  
else it has to be that I'm all that cause

Refrain:

this is combat, just get off my back cause I can't take that sucker, combat now I'm  
back on the mike and I'm a gonna fight back and when I come bad!  
! - fight back and  
I'm a gonna strike back combat just get off my back you whack pack sucke
