I took the long way for a comeback, whack pussies and scumbags, I've had enough of peeps telling me I've done that, when

even done yet so I get set for the combat and when I come bad — now where you at $\$

my god damned homies from the southside, I´ll shut my mouth I - I let the stage do the talking and I´m ah gonna wave you bye by ${\sf e}$,

Bye Bye baby bye bye, bye, bye baby, bye, bye. And so I buy you out, that's what

you're all about and I keep telling you about how you are selling me out. You are

repelling out of the possibilities, that I see, 99 % are raising hell in me - can you

follow me? It seems to me like a tragedy now really Gee, intent ionally I wanna grab

your bank account and kill you with the money. I race the track s to face the facts the

trace of that: It's combat. And you're the casualties. Just for the war stats.

Refrain:

this is combat, just get off my back cause I can't take that su cker, combat now I'm $\,$

back on the mike and I´m a gonna fight back and when I come bad ! - fight back and

I'm a gonna strike back combat just get off my back you whack pack suckers

Sorry but this is our territory - now don't you worry, GET UP G ET OUT - just gotta

hurry. Slave to greed grave to thee, find a better place to be instead ${\tt I}$ see the theft

of me you took all that was left of me. Emergency the urgency of this attack has

priority to everything, that I am at so that I gotta be who I g otta be: THE ONE WHO

STRIKES BACK BEFORE YOU GET THAT I wanna bet that I´m a sleeper , the keeper

of the key and I go deeper, deeper than you've ever been. I get a call and you'll be

sleepless, you think that's all no not at all that thought is n eedless. The catastrophe,

you took the best of me you don't wanna mess with me, cause I g ot the master P.

the recipe what's that test me! And play chess with me, you got ta be faster, hein, or

else it has to be that I'm all that cause

Refrain:

this is combat, just get off my back cause I can't take that su cker, combat now I'm $\,$

back on the mike and I´m a gonna fight back and when I come bad ! - fight back and

I´m a gonna strike back combat just get off my back you whack p ack sucke
