

## Do What You Wanna Do

H-Blockx

I-I know it's time to realize,  
I-I know the love you felt for me has died,  
I-I try to cope with the pain inside  
but I just realize that I cannot hide the feelings that I have  
inside...

Can you hear me?

I-I know it's hard to understand,

but girl you gotta know,

you made me be a different man,

I-I don't want you to feel no guilt inside,

I just want to stay friend but I feel the fear girl that I neve  
r can

Chorus:

You gotta do what you wanna do, [hear me]

still remember what I feel for you, [hear me]

you gotta do what you wanna do, [hear me]

still remember that I care for you, [hear me]

I don't want to see our friendship die,

I know we need to seperate ways,

but I don't know why

I hope someday we both will see,

that girl our friendship was created for eternity

Chorus
