

Here I Go Again

H-Blockx

You knock me off my feet So let me introduce myself I'm a guy who woke from sleep I'm realising - hey there I'm back where I belong again I shake off fatigue

You knock me off my feet But let's not dip in simple things No more arguments Cause I've got the feeling I've got the pills you've got the pain I'm reeling again

Here I go again - exactly what it seems to be Here I go again - just don't try to get me, try to get me Here I go again - really no big deal my friend Here I go again - just don't try to get me Here I go again
