

# Seeking The Sun

H-Blockx

This life of my own By seeds that have been sown Hears the words  
to seize Beneath stones at ease

Gets clear like crystal All within my cells Is every day like a  
new beginning

And I feel so alive So alive

Refrain Unbroken faith I'm seeking the sun One by one I'm on my  
way Where my soul is one I'm seeking the sun I'm seeking the sun

Bouquets of promises Worthless and mindless Will not gladden a  
heart And so I spare this

To find the treasure My words ain't measures It will be my love  
payable on death

And I feel so alive So alive

Refrain Unbroken faith I'm seeking the sun One by one I'm on my  
way Where my soul is one I'm seeking the sun I'm seeking the sun

One on one - I seek the sun Become undone - I've won

Refrain Unbroken faith I'm seeking the sun One by one I'm on my  
way Where my soul is one I'm seeking the sun
