

Someday Somehow

H-Blockx

Do you know how much I love you, and do you know the reason why
? So many
things I need to tell you, so listen up and let me try! I would
never leave you, I love
you forever and a day.

Refrain:

Someday, girl you know we'll be someone, somehow, we gotta keep
on going on,
somewhere we settle down and you will see, it's somewhat of wha
t our love was
meant to be.

Do you remember nights I was sleepless, a million thought withi
n my head, too
many things, that I had told you, I watch you smile and cry ins
tead. So don't you
ever leave me we'll be in love but who can say?

Refrain:

Someday, girl you know we'll be someone, somehow, we gotta keep
on going on,
somewhere we settle down and you will see, it's somewhat of wha
t our love was
meant to be.
