

# Yesterday

H-Blockx

yesterday

VERSE As if it was yesterday, I still remember Everything we did on them september days We dressed and messed up the next club Did not Stopp to cut school a bit much We rocked road with our voice on the radio

BRIDGE We said hello, hello, hello, hello Hello, hello, hello, hello

CHORUS As if it was yesterday, as if it was yesterday, as if it was yesterday, I still remember, to do it again, do it again, do it to do it again, do it again, do it to do it again, do it again, do it as if it was yesterday

VERSE in the mist of our miseries do you remember those december days, that were the tender days it was hard on the mood and the food was too big to chew and the crew was split till the news on the radio

BRIDGE

CHORUS

C-PART I remember the start in 1990 Hitting the roads in 1991 I remember KC and the uplift mofo partyplan Yeah I never stopped to believe in one thing Not even in the chaos of 1996 I will always believe in each and everyone in this I salute the ones I miss

CHORUS
