

Let Me Carry You

H & Claire

Hush said the angel
Don't be lonely anymore
I'm right here beside you
Like so many times before
Time and again
I've been here to fill your heart
Tonight I'm gonna show you
We're never far apart.
Just like before
When you don't wanna walk anymore

Let me carry you
Let me be the one
Oh let me carry you
Let me be the one
Let me care for you
I can heal the pain until it's gone, my love
Let me carry you, so you can carry on

Hush said the angel
You can tell me like it is
Cos I'm not here to judge you
All I offer you is this
Time and again
I've been here to fill your dreams
Tonight I'm gonna show you
Love is closer that it seems
And just like before
When you don't want to walk anymore

When you feel like calling babe
I'll be there for sure, for sure
For sure

Let me carry you, so you can carry on
