

Bury Me

(həd) p.e.

I'm so intoxicated
I feel supernatural
I'm so illuminated
So unpredictable
I'm comin' for you

CHORUS

Turn my key
Wash my sins for me
Breathe my air
Shatter me - shatter me
Break my bones
You cut me open
Dig my hole
Bury me - bury me
I'm so fascinated
You're so intellectual
So sophisticated
So unpredictable...
I'm comin' for you

CHORUS

I've got to be free
Free to fall down
Down to the earth
I know what I want
What I want is truth
The truth is in you
So emancipated
And extra special
So impermeated
So unpredictable
I'm comin' for you...
