

# Fallen

(həd) p.e.

It's my life  
and I have always done exactly what I wanted  
What else can a dog do?  
It's not right  
to take advantage of somebody who trusts you  
Pendejo, yeah I'm talking to you  
It's not every day  
you meet somebody who believes in you  
stands by you  
without making demands on you

Just let me live  
I just want to believe  
just let me do my thang  
come and get me

Chorus:  
You cannot break me down,  
say it again,  
you cannot break me down,  
please believe me  
time is running out  
say it again  
your time is running out  
please believe  
ask not for whom the bell tolls  
all your walls are closing in  
please believe me  
this house of flesh and blood has fallen

It's my life  
and I'm a wild out  
until I blow out  
yes, I'm in this game  
until I foul out  
It's not right  
you always worried about what everybody's thinking  
you worried they might figure you out  
it's not every day  
you go to work  
go to sleep  
get paid  
in between  
get lifted  
get laid

Just let me live  
I just want to believe  
just let me do my thang  
come and get me

Chorus:  
You cannot break me down,  
say it again,  
you cannot break me down,  
please believe me  
time is running out

say it again  
your time is running out  
please believe  
ask not for whom the bell tolls  
all your walls are closing in  
please believe me  
this house of flesh and blood has fallen

(push it all away)  
(who the fuck are you?)

Chorus:

You cannot break me down,  
say it again,  
you cannot break me down,  
please believe me  
time is running out  
say it again  
your time is running out  
please believe  
ask not for whom the bell tolls  
all your walls are closing in  
please believe me  
this house of flesh and blood has fallen

It's my life
