

Lock and Load

(həd) p.e.

Six, six, six, six
Yeah, I like it, I like it
Come on

Lets go lets waist some time let's jump in the Chevy let's ride
Shorty your place or mine you be bonny I'll be Clyde
Little mamma I'm a show you how we do
Little mamma I'm a get inside of you
So hot I'll show you where it's at, so cool I got your back
Come on

I pledge allegiance to lock and load
And to the republic I sell my soul
Like Boney and Clyde let's take their ride
To my roll we die, tonight lets waist some time

Pretty mamma lets waist some time
Yeah mamma lets waist some time

Yeah, you know it's on I'm all fucked up I'm a time bomb
Motherfucker better treat me right or I'll fuck you up it ain't
nothing nice
I hate that, I'll take that, little punk rock chick I'll break
that
You come with me and we'll make it back to the top
And the cops and the feds can't stop us

I pledge allegiance to lock and load
And to the republic I sell my soul
Like Bonney and Clyde let's take their ride
To my roll we die, tonight lets waist some time

Pretty mamma lets waist some time
Yeah mamma lets waist some time
