

New World Intro

(həd) p.e.

"You had better wake up and understand,
that there are people who are guiding your life
and you don't even know it.
And all American citizens I think,
have suspected something like this has been going on."
[~ Matrix of Power: Jordan Maxwell 1992 -
Freemasonry Connections to Illuminate]

"Because our masters don't give a damn about you, or your family.
All they care about is what they have always cared about and
that's controlling the whole damn world."
[~ Zeitgeist]

"We have the force, we have the opportunity to forge,
for our selves and for future generations, a new world order,
a world where the rule of law, not the law of the jungle,
governs the conduct of nations. When we are successful, and we
will be,
we have a real chance at this new world order,
an order in which incredible united nations can use
its peace keeping role to fulfill the promise
and vision of a new world order."
[~ Bush Sr.]
