[MAN:] Honey, I'm home! Would you come here and look at this? There's something funny up in the sky! Is it a bird? Is it a plane? Honey, look it's your doom! The Sky is falling (4x)Here comes Planet X! The Mayan and the Hopi Foretold it would come The axis shift revealing The Second Sun It's time to face yourself And all that you've done And not done Nibiru's on it's way There's nowhere to run The Sky is falling (4x)Flyby, shift, The earth and many were lost The powers of the world Would just wanna last goodbye The Family did survive And took its first breath Building our new world We start once again The Sky is falling (4x)[WOMAN:] Planet X is the force, needed to finally break the absolute control, that this hidden, reptilian race, has had over Earth since they won a battle in space, thousands of years ago. Gaia was dying But now she can Show us her face Darkness has left Information Will reign in its place The gods hidden help That the children Could play on the beach Five thousand, one hundred Twenty five more years To teach, and learn [MAN:] Honey, I'm home! Come out here and take a look at this thing.

There's something funny up in the sky.

The Sky is falling (4x)

[WOMAN:]

Planet X is incoming, and we're gonna have a global panic, but I and, others who have been understanding what I've been learning, are gonna jump for joy. I am going to be so happy, to see that planet. Does that sound crazy?
