

Truth Rising

(həd) p.e.

"Are you ready for the truth?"

Give me the truth, the whole truth, nothing but the truth, so help me

You will never win, never again, my people are ready for anything

No more secrets, no more lies, open your eyes, can you hear me?

Destruction of the corporate corruption, feel my aggression now

The time has come, we are the ones, we bring the pain

Nothing will ever be the same, it's judgement day and it's time to pay

We lead the way, we forward go, you can't stop the four

You can't stop us now, it's the love you show

The family grows, you reap what you sow

Truth is rising

Give me the truth, the whole truth and nothing but the truth

This fire will burn everything in sight,

stand up and fight for your rights

No rest for the wicked
