

# Living On The Run

H.E.A.T

I've been waiting to tell you  
I've been trying to tell you for so long  
Didn't know how to face you  
To cut this off

Was it consideration  
A showing sense of a weakness on my part  
Was I hoping to finally  
Hear my heart

Am I patient for nothing  
Why can't you show me a little sympathy  
Tell me something is coming please

Just a word from you to hold on to  
Before the night is gone  
Can't you see we're living on the run  
Baby close your eyes to realize  
Before it comes undone  
Can't you see we're living on the run

Been battling a stranger  
That's how it feels in our bed again  
Know your not sleeping baby  
But don't pretend

Now it seems like I'm screaming  
Crying out but I can not hear a sound  
Make us sit in an hourglass  
I am moaning out

Am I patient for nothing  
Why can't you show me a little sympathy  
Tell me something is coming please

Just a word from you to hold on to  
Before the night is gone  
Can't you see we're living on the run  
Baby close your eyes and realize  
Before it comes undone  
Can't you see we're living on the run

Why are we wasting all this time  
No one needs another empty night

Just a word from you to hold on to  
Before the night is gone

Just a word from you to hold on to  
Before the night is gone  
Can't you see we're living on the run  
Baby close your eyes and realize  
Before it comes undone  
Can't you see we're living on the run  
Living on the run  
Living on the run
