H-Town

Emotions make you cry sometimes, emotions make you sad sometime  
s,  
Emotions make you glad sometimes, but most of all they make you  
fall in love.

The first time I felt emotions, is when I came out my mothers w  
omb,  
I cried, and at the age of five the first time I found my pride  
,  
And when I turned ten I began to like a friend, all things deal  
With emotions from you until the end, oh

At the age of eleven I learned about things like god and heaven  
, and  
When I turned thirteen the first time I had a freaky dream, and  
now  
That I'm nineteen, I know that I'm ready I know that I'm so in  
love...  
Soooo in love yeah

downs,  
But I know one thing for sure your gonne fall in love) Make you
