

## Special Kinda Fool

H-Town

I'll be your special...

Tell me why... you don't love me baby  
I done my best to treat you right...  
I've had so much planned oh no no why why  
Why has thou forsaken me baby  
Been there for you from the time of need  
Now I understand

See I've been your special kinda fool... too long  
I've been your special fool too long I got to move on yeah  
See I've been your special kinda fool... too longggg yeah yeah  
Been your special fool too long

You inspired me... to do this album lady  
I promise in my heart if I made tell mill... that I would give  
you five  
And that includes with two cars and a house with deed  
Tell me that ain't love baby and after all that you still ran o  
ut on me  
Now I understand

See I've been your special kinda fool... too long baby yeah yea  
h  
I've been your special fool too long your special fool  
See I've been your special kinda fool... too longgg  
Been your fool too long oh baby

Play for me looney toon man  
Come on my man play it for me dino play it for me dino  
I've been your special fool baby
