

Where were you  
You weren't here  
I screamed and shouted  
But you disappeared  
Where is the shoulder that made me cry  
You went away but I don't know why

Where, were you?

When I needed somebody to trust  
When I needed somebody to stand by  
I never wanted all that much  
Why did you leave?  
Why did you lie?

Where were you?

I used to love you  
But I want to pretend  
Your fucking game  
I won't play again  
Where were you?  
When I needed somebody to hold  
When I needed somebody to love
