

# Helpless Not Hopeless

H2O

Ain't it strange how time just slips away  
Then I got your call the other day  
All these years and you're still in that place  
And you really don't have much to say  
Like, what about your dreams?  
And are they blowing away  
While you sit there wishing you could start again

Are you stuck in a rut? Helpless not hopeless  
Got a fear in your gut? Helpless not hopeless  
Are you waiting for luck? Helpless not hopeless

And I know how hard it is to change  
With so many lives to rearrange and every time you feel so close  
You forget about what you want most  
Like what about your dreams  
And are they blowing away  
While you sit there wishing you could start again

Time, it's funny how time slips away  
Time, and all your dreams they won't wait another day  
Time, and it's hard, hard to make that change  
But, you can make that change
