## I Want I Want

I want what the other kids have, I want it all I want I want what the other kids have I want brand name shoes I want perfect teeth and something to smile about I want an invitation And my own cell phone and something to talk about I want imagination But there's no money for me to pay I want I want what I want and I want it now There's enough food on the table so I guess it's ok I want I want and I want it now I want I want I want I want what the other kids have I want I want, I want it all I want I want that video game Don't want to have to use my brain I want to go where the cool kids go I'm sneaking in but they don't know There's no money for me to pay I want I want what I want and I want it now But there's enough food on the table so I guess it's ok I want I want and I want it now I want I want, I want it all I want I want I want I want what the other kids have I want I want I want it all If I don't get these things I ask for maybe I should run away But there's enough food on the table so I guess I'll stay I want I want I want I want what the other kids have I want brand name shoes I want perfect teeth and something to smile about I want an imagination There's no money for me to pay I want I want what I want and I want it now But there's enough food on the table so I quess it's ok I want I want and I want it now I want I want what the other kids have I want I want I want what the other kids have I want I want I want it all
